HI-Y CLUB

The Hi-Y, under the guidance of Mr. Don Lewis and Mr. Don Atkinson has developed into an outstanding boys' club at E. H. S. The Hi-Y has sponsored one major all-school affair, the Hi-Y Mixer Party, which has become an annual affair here at school.

The organization joined the Hi-Tri in a discussion of boy and girl problems. This proved to be a great success. Without the excellent cooperation of both sponsors, their officers, and the members of both clubs, this affair would not have been possible.

The Hi-Y has increased in membership this year, which is one step toward making it the best club in the council. This active membership has made it necessary to have a Hi-Y cabinet which advises the officers and assists in the planning of meetings.

So far there has been one social affair in the Hi-Y this year. This was a very successful hayride where everybody had a good time. This delightful affair was held at Mr. Lewis' country home near Alton.

The meetings run in discussion from boys' social problems to having a speaker to talk to the club. The strongest two classes in the Hi-Y are the Freshmen and Sophomores outnumbering the Juniors and Seniors by quite a margin. Therefore, we are building up a club that in three or four years will excel in scholarship, sportsmanship and Christian living.

HI-TRI LEAGUE

With the aid of our sponsors, Miss Elsie J. Sloan, Miss Grace Cunningham, Miss Ella Helm, and Miss Nellie Alexander, our Hi-Tri this year has succeeded in sponsoring many worth while activities for all the students of E. H. S.

The Hi-Tri is the largest organization open to all girls in school. To begin the school year, the Hi-Tri sponsored an informal initiation for the new members at a big wiener roast and bonfire in the parking lot. Next came the "Kid Party" when the girls discarded their dignity, brought jumping ropes, dolls, and their sister's toys to help fill the evening with enjoyment. In February, the Hi-Tri took on the roll of cupid by sponsoring the Sadie Hawkins Party. The girl asked the boy, bought the tickets, made him a corsage of preposterous items, called for him, and paid the bills of the evening. The last social function the Hi-Tri sponsored was the formal candlelight installation of officers for the incoming year.

The Hi-Tri is divided into four groups according to classes, each group having its own officers. Once each month during activity period, the individual groups meet. Each group sponsors a joint program to which all girls in school are invited. These joint meetings were held in the gym and included a panel discussion, a play, a style show, and a program honoring our mothers.

The Hi-Tri Council is the governing and guiding agency of Hi-Tri. The officers are Marilyn Ranek-President, Pat Ohl-Vice President, Margaret Long-Secretary, and Sharon Lewis-Treasurer.

"Ginger Snaps Back" was presented by the members of the Junior Class, November 20 as their contribution to the dramatic efforts of E. H. S. Disguises seemed to be the fad and they varied from the addition of a beard to dressing as a female to give the audience a good chance to ask "Who's who?"

The cast was assisted by Sylvia Vogel, Eunice Knoche, Edna Talleur, Rosemary Merkel, Mrs. Alice Crocker, Joe Jellen, Richard Weckman, and Pete Gemoules. The play was presented under the able direction of Mr. Don Atkinson.

CHEER LEADERS

Up: Lucy Gillham

Down: Phyllis Croak, Ina Rae Blatnick

The EHS cheering section was led this year by three petite leaders, Ina Rae Blatnick, Phyllis Croak, and Lucy Gillham under the direction of Miss Betty Guller. At home or away our fans found the cheer leaders present to help cheer the team along and raise their morale. Their size had no effect on their ability to make noise although Little Eddie, their mascot, helped them along with a tiny roar now and then. Thanks to our cheerleaders, Edwardsville's presence at the games was readily recognized. They kept our spirit up when we needed it most and gave the team a little of their enthusiasm, pep, and optimism for that anticipated victory.

FOOTBALL REVIEW

The 1948 edition of the Edwardsville Tigers under Coach Bill Brewer made a better showing than had been accomplished in recent years. Intensive drill in the fundamentals early in September was followed by thorough practice in their application; the Tigers succeeded in winning victories over three opponents, tying one, and losing to five. Three of the losses were at the hands of De Andreis of St. Louis, strong parochial school team, and to Roxana and Collinsville, power houses of this area.

The 1948 football aggregation was a high-spirited, hard fighting outfit, all of whom displayed a fine attitude in sportsmanship and fair play. With an improved spirit being displayed in football it is hoped, that the future of E. H. S. gridiron activities will continue to advance.

Coach Bill Brewer in addition to serving a full-schedule as boys' P. E. instructor worked diligently and faithfully and is to be commended for his excellent handling of the team.

THE 1948 FOOTBALL SEASON

TIGERS 12; MT. OLIVE 0

Mt. Olive suffered its first home game defeat in three years by the Tigers. Our team looked good for its first game. Heinemeier made both touchdowns on line plunges. Most of the game was played in the enemy's territory, proving our superiority all through the game.

TIGERS 19; STAUNTON 19

String defenses were evident in both teams. Heinemeier scored twice in the first half, leaving the score 12 to 6, Tigers. The Bulldogs came back in the second half with a lead of 19 to 12. Hoppe ran the ball over in a 25 yard run with seconds to go, and Ray ran the extra point, to tie the game up which ended in a thriller.

TIGERS 21; MADISON 2

Edwardsville's powerful line was the deciding factor in this game, with 11 to 8 first downs. We scored in all periods except the first. The Trojans scored when they blocked a kick for a safety. There was a light rain during the second period which seemed to get the Tigers rolling.

TIGERS 13; DeANDREIS 25

The Wildcats seemed to have a faster team than ours. Although they outweighed our team, we never made a fumble in the game. Heinemeier scored both touchdowns, one on a pass from Coolbaugh for a 25-yard score and the other on a line plunge.

TIGERS 14; WOOD RIVER 7

The Oilers led during the first half, 7 to 0. Hoppe scored in the third period after the team fought a desperate battle to the 1 yard line. Mays saved the game when he intercepted a pass and scored on a 45-yard run in the fourth quarter. By the end of the game the Tigers had outclassed the opponents with 11 to 5 first downs, in a thrilling game.

TIGERS 6; ROXANA 20

The Shells scored in the first period after which Barnhart went over on a 21-yard run with a pass from Coolbaugh. After a poor start in the first half, Roxana snapped back and went into their sixth straight victory. The Tigers never threatened in the second half, having only one first down.

TIGERS 0; ALTON 27

The Redbirds won their spurs when they took us for their first win after five losses. The Tigers never threatened. It was a hard fought battle, but just couldn't hold them off. We held them to seven points in the first half, but they picked up in the second half.

TIGERS 9; COLLINSVILLE 47

The Kahoks started out with a 13-point lead, when the Tigers tackled the enemy in the end zone, for a safety, making it 13 to 2. Then Wilkinson went over on a pass from Coolbaugh, for a score of 13 to 9. The Kahoks went on to win a hard fought game on a cold clear night.

TIGERS 6; GRANITE CITY 26

The Warriors played a rough game in which several players were injured. At the end of the game we led them in first downs with 12 to 11. Both teams used a passing attack with most of Granite's clicking. We completed only 5 out of 20. Coolbaugh scored on a quarterback sneak, after four complete passes and several hard drives. The team was handicapped by the absence of Hoppe.

The EHS gym was transformed into a realm of weird looking characters on October 30, 1948. What was the occasion? Why, the annual Halloween Party, of course. Everyone had trouble identifying even his best friend in such costumes as a grandfather's clock, hunchback, or a big head. It was even discovered how Miss Betty Guller would look as a rabbit and Miss Nellie Alexander as a cannibal. After the grand march prizes were awarded to the best costumes in each group.

INSTRUMENTAL MUSIC

CLEAON ETZKORN
Director

Mr. Cleaon Etzkorn, director of the Edwardsville High School band, has been here with us for three years. During that time he has succeeded in building up a strong and efficient band organization.

Mr. Etzkorn taught music at McBride High School in St. Louis before he came to Edwardsville. He is a World War II veteran, having served in the United States Army. There he played with the Camp Callan Band in San Diego, Calif. He has played with some of the country's best musicians and has observed the performances of the finest bands and orchestras.

During the summer months he directs the Wood River Municipal Band, plays baritone with the Edwardsville Municipal Band, and holds summer rehearsals with those members who can attend.

Mr. Etzkorn is always building for a better and bigger band. Through his tireless efforts we are certain that the future bands of E. H. S. will develop even more successfully than those of the past.

THE SEASON

COACH JOE LUCCO

TIGERS 36; HIGHLAND 42

In meeting the Highland team for the first game of the season the Tigers succumbed to the mid-season form of their opponents. Our team got off to an early lead, before the end of the first period. The Cagemen walked away from us in the latter part of the game, except in the final quarter where we outscored them. Although losing, we didn't give up. Second team won their game, 38-34.

TIGERS 43; LIVINGSTON 40

The Tigers won their first game of the season, in a close game here. They took the lead, and held it all through the game. The Eagles were only one point behind near the end of the game, but we sunk two free throws, sewing up the game. It was a close and exciting game all the way through. The team's free throws were still a little ragged.

TIGERS 42; BELLEVILLE 39

The Maroons started off with a lead of 8 to 2, but when the first period ended, the Tigers were back in the game. After that, it was a tight race.

Both teams looked good, and the score remained close until the final period, when Belleville seemed to blowup. George Metcalf was high point man, and Mike Newell had the coolest head, making six out of six free throws. The reserve squad won their third straight victory, 41-35.

TIGERS 27; TAYLORVILLE 28

Taylorville was leading 28-25, when Roy Warning made a long shot. Taylorville got possession of the ball, but we stole it from them and Metcalf took it down the floor and scored, but the official called a foul and George got a free throw and missed. Since his basket didn't count we lost a thrilling game by one point.

TIGERS 49; GRANITE CITY 52

The Tigers lost a nip-and-tuck ball game to the Granite City Warriors. The Bengals started off to an early lead in the first quarter, but the Warriors passed them in the second period. We came up to within two points of their team in the third quarter. Hagopian of the opposition was our main headache, seeming to be able to hit from anywhere on the floor. The free throws were another deciding factor with their 14 to our 9. The reserve team won their game 44-27.

TIGERS 62; ALTON 44

The teams tied score at the first quarter and at the half. It was the third quarter that really started the ball rolling for the Tigers. Ray Heine-meier paced the local squad with 19 points, and Chuck Alexander poured in four field goals and a free throw. Alexander was high point man in the second team game with 12 points.

TIGERS 43; RUSHVILLE 32

The Tigers dumped the highly favored Rockets in a great upset. The boys got off to an early lead over the enemy and held it all through the game. After the first period, they never came within four points of our team. The Rockets were considered 11th in the state. Coach Lucco said the Rockets had an off night, but they were still a good team.

STUDENT COUNCIL

GEORGE F. BROCK
Sponsor

SHARON LEWIS
President

MRS. ROSE SANDS
Sponsor

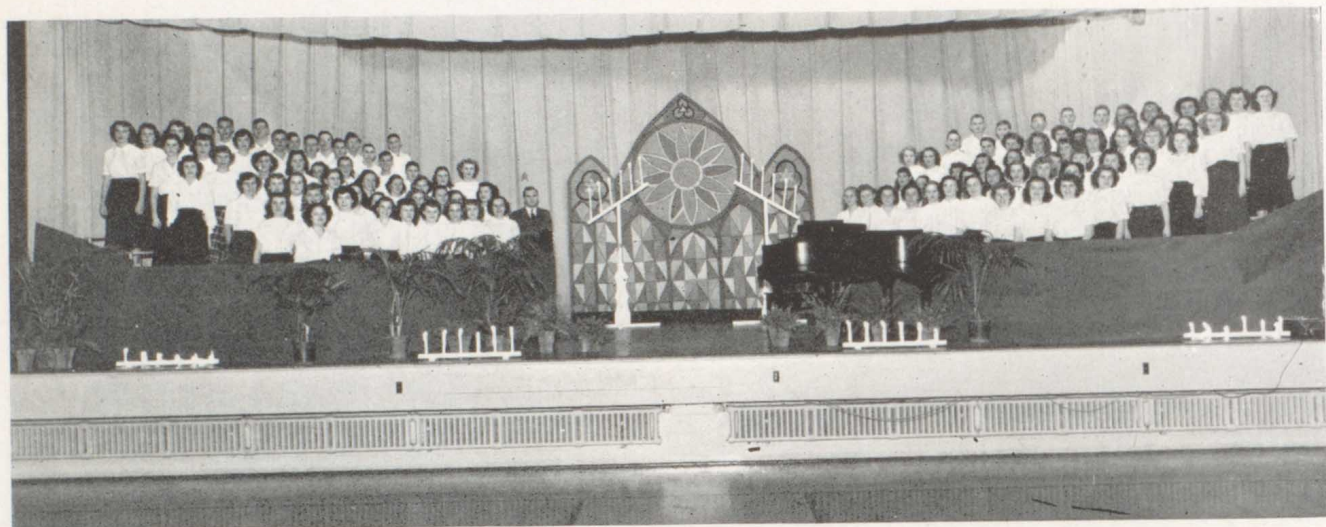

The Student Council serves as the official student voice of the Edwardsville High School. At their Wednesday noon meetings held weekly throughout the year this organization meets to discuss many school problems, to consider plans for the general improvement of the school, and to plan for the social and educational activities of the school. These meetings have proved a decided educational experience for the students in the lively discussions by the student members concerning school issues. Students learn in school what many adults are obliged to learn, that controversial questions have two or more sides, and that solutions maybe openly arrived at by free discussion, compromise, and consideration of the other person's point of view.

The Student Council has sponsored many school functions. Bean dances have been conducted after nearly all football and basketball games and have been well attended this year. The Christmas dance which was held during the Christmas holidays was highly successful both financially and from an entertainment standpoint. The Student Council sponsored a school assembly in addition to having the organization president, Sharon Lewis, preside at nearly all the other programs. In the spring the Student Council inaugurated a series of semi-monthly evening dances.

VOCAL MUSIC

Strains of music can usually be heard any afternoon, when one walks past the music room for the eager chorus members are singing new songs or singing the older ones for pure enjoyment.

The mixed chorus, which meets on Thursday and Friday, is composed of all boys and upperclassmen girls. The freshman girls meet during the sixth period by themselves. The girls' chorus meets on Monday and the boys' on Tuesday.

The first thing they must prepare for is the Christmas Program which consists largely of sacred songs. This is held on the last day of school before the Christmas vacation.

Every year the choruses present an Operetta which takes long hours of practice, both in learning the songs and rehearsing of the lines.

This active club also presented a lyceum and published the TIGER NEWSLETTER, a paper telling of the club's activities. The sponsors are Miss Hunter and Mr. Atkinson.

SPANISH CLUB

Activity period; forty-eight eager Spanish students rush to the meeting place of 'La Tertulia'. Here Marilyn Ballweg will conduct the meeting in Spanish. Lester Berleman will call the roll, which will be answered with an enthusiastic 'aqui' from the members.

They can expect good entertainment for the entertainment committee has been hard at work. Perhaps it will be a Spanish dance, a talk on Mexican teenagers, or one of our senioritas singing a Spanish love song.

This is the regular procedure of colorful 'La Tertulia'.

No club in school has more enjoyable meetings than those of the Latin Club. The Romans live again at every gathering.

The Latin Club's year was high-lighted at Christmas time when they entertained the Spanish Club with a play entitled "Little Red Riding Hood." The spoken parts were all in Latin.

The most colorful event came with their traditional Roman Banquet which was given in May. The patricians (second year members) came attired in togas, while the first year members had to wear slaves' garbs. The big moment arrived when the slaves were made to serve the patricians.

Miss Carla Gewe is faculty sponsor of the organization.

GIRLS' ATHLETIC ASSOCIATION

MISS MILDRED HALBRUEGGE
Director

"P. E. is my favorite subject" is a remark commonly made by girls of E. H. S. Mildred Halbruegge has much to do with this favoritism. Physical Education is no longer a chore under her guidance.

Miss Halbruegge has introduced new sports this year to add interest to the regular curriculum. Table tennis, badminton, and bowling have as many enthusiastic participants as the old standards, volleyball, tumbling and basketball.

Miss Halbruegge is a graduate of Ursinus College in Pennsylvania. This is her fifth year as a member of the Edwardsville High School faculty.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, otherwise known as the G. A. A., is an all-girl organization open to any girl in high school. It tries to teach such things as friendships with other girls, the playing of competitive games, and good sportsmanship.

During the year the girls in G. A. A. participate in such sports as volleyball, basketball, softball, and tumbling. This past year they have added bowling.

The G. A. A. holds initiations, suppers, and play days; and each summer they send two girls to camp for a week.

Throughout the year a girl may acquire points toward earning her letter from the sports she takes part in and her health points. From among the senior girls in G. A. A. each year is chosen one who is outstanding in her scholastic ability and sportsmanship. This girl is awarded a beautiful trophy. The sponsor of the G. A. A. is Miss Mildred Halbruegge.

CAREER DAY

One of the finest educational experiences of the Edwardsville High School was the Career Day held Thursday, April 28.

The members of the faculty with a guidance committee headed by Mr. Brock had conducted a thorough survey of the educational interests of the high school students for several weeks previous to the holding of the special meeting. Kuder Preference Tests were given to all students as a means of assisting the student to determine their vocational interests. Programs were conducted for the purpose of stimulating the students to become occupation conscious, which were followed by the study of occupational information provided in the library. A special "Vocations" table was placed in the center of the Library where fresh material pertaining to occupational information could be examined and read by the students.

Through the cooperation of a number of civic groups, professional groups, and other organizations in Edwardsville, a staff of lecturers representing many different types of vocational classifications came to the high school to explain the requirements, training, and advantages of their respective fields. By means of a well-planned program, students were able to hear several speakers during the day and were greatly benefited by the experience.

The 27 choices of occupations made by the students are: Aeronautics, Agriculture, Armed Service, Arts, Building Trades, Beauty Culture, Manager of Business, Drafting and Design, Dentistry and Medicine, Engineering, Government Service, Homemaking, Journalism, Law, Machine and Mechanical Work, Music, Nursing, Office Work, Personnel Service, Pharmacy, Photography, Radio Work, Religious Training, Sales Work, Social Work, Sports, Teaching.

JUNIOR CLASS HISTORY

Just call us the lower-upperclassmen of E. H. S.

Way back in 1946 a tremendous event made our E. H. S. the most happy school this side of the Rocky Mountains. We, the Junior class, entered her ivy covered portals which made her beam with pride from the top of her band room to the tip of her gymnasium.

Since then we have proved ourselves worthy of our Alma-Mater through sorrowful, serious study and funny flippant folly. Among our highest achievements is the knowledge of the exact location of the first floor elevator. Where? On the first floor. Then, too, we know where the teachers keep all the A's. Do you want proof? You'll see the Juniors carrying them around on their report cards. If there's anything you want to know just ask us. It's a fact that if we ever got on a quiz show, we'd have enough soap powder, tooth paste, and cough medicine to last us the rest of our lives.

But enough of this ego. We're really O. K. in every field. Junior athletes are the majority on the football and baseball squads. You watch sometime! When you see those muscle-bound male specimens whizzing by, it's usually a Junior. They're notorious for eating Wheaties.

You'll find, also, that we supplied the biggest part of the operetta, "A Nautical Knot" and we comprised the entire cast for the Junior play, "Ginger Snaps Back." Wonder how that happened?

So all in all, when you look to pupils of distinction you will see the Junior class far ahead.

SPRING

SHARON LEWIS

SHARON LEWIS

MARGARET LONG
Editor

TIGER STAFF

On a hot day in July, 1948, a few members of the Editorial staff met with Mr. Don Lewis, their sponsor, and Mr. Owen Marsh, representative of the Pontiac Engraving Company to plan the 1949 version of the Tiger. Eager to carry on the tradition of top ranking yearbooks for E. H. S., the staff decided upon the seasonal theme with its colored sectional pages. This theme also involved a change in organization which might prove to be pleasing or otherwise to our readers.

After completion of the dummy, came a rest period which was followed by a round of picture taking throughout the first semester. Knotty problems appeared to be solved: higher production costs but with practically the same revenue. What to place on this page now that this plan had not materialized and how to do it, constantly appeared during the weeks of production by the editorial staff.

Headed by Margaret Long as editor and Sharon Lewis, assistant editor, the staff worked diligently toward the completion of their full-year project.

Standing — Scott Delicate, Tim Berlemann

Seated — Pat McLean, Margaret Long, Sharon Lewis, Mary Hentz

AD AND SALES STAFF

AD STAFF

Standing: Charles Tosovsky, Kenneth Hanser, Scott Delicate, Rose Marie Rupp, Anita Hawkins.
Sitting: Richard Hoffman, Kenny Sperandio, Earl Vaugniaux, Joan Harrison, Elizabeth Shaw, Jean Flavin.

SALES STAFF

First row: Helenmary Carlin, Jack Riggs, Dave Maxfield.
Second row: Russell Nordstrom, Rodney Senn, Patsy Ohl, Jean Flavin.

SALES STAFF

"Wanta buy a Tiger?" was a familiar question around E. H. S. for the duration of two months during the fall. Rodney Senn, as sales manager, rallied his force to good advantage and succeeded in selling all the yearbooks even before the 1949 Tiger went to press. The work of this staff was continued when distribution of the books was accomplished in May.

AD STAFF

Headed by Richard Hoffman, Advertising Manager, the Ad staff had the greatest financial responsibility of the three staffs. Their job was to solicit Edwardsville business and professional men and women to obtain their ads to assist in the production costs of the Tiger. A high goal was set and because of the determined zeal of this group that goal was accomplished.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America Club encourages leadership, initiative, cooperation, and many other qualities that are necessary for future success in teaching. Its chief purpose is to interest the best young men and women in education as a lifelong career.

The officers of F. T. A.: President-Nadine Sperandio, Vice-President-Janet Price, Secretary-Treasurer-Joan Harrison, Historian-Lenetta Davis, Librarian-Dorothy Pike, Parliamentarian-Joan Highlander, Song Leader-Jean Flavin, Sponsor-Miss Nellie Alexander.

LIBRARY CLUB

The members of the Library Club have had two sponsors this year. Miss Emma Bergmann organized this year's club and sponsored it until the close of the first semester when she resigned to accept a position in the library of Drake University, Des Moines, Iowa. Miss Ruth Zahn took over the position as E. H. S. Librarian at that time and not only carried on its program but has added three new members, Lenora Davis, Ruth Griffin, and Delores Schmidt.

The membership is interested in library work and the girls have given considerable assistance to the Library. The compilation of articles concerning the high school printed by the Edwardsville Intelligencer and placed in a scrap book is a project of the club. By assisting the Librarians, the members have become familiar with the library work and might follow it as a future career.

SENIOR PLAY

CAST OF "OH' PROFESSOR, HOW COULD YOU!"

Back row, left to right: Bob Barnhart, Richard Hoffman, Charles Alexander, Tom Slowey.

Middle row: Jim Kesl, Mrs. Alice Crocker, Marilyn Brase, Mary Ann Fagan, Mary Barnsback, Nick Ladd.

First row: Jean Flavin, Rita Neville, Rose Marie Rupp, Anita Hawkins, Joan Harrison.

To a large and appreciative audience who jammed the gym on the evening of Saturday, May 7, the seniors made their final histrionic bow when they presented the three-act farce, "Professor, How Could You!"

The reader will note that the title of the play ends with an exclamation and not a question mark. There was no question of the play's success but the highly entertaining episodes in the clever plot called for many exclamations of delight.

The plot hinged upon getting the Professor married, or, at least, engaged in three days. Four obliging characters became candidates for the bride-to-be. After three acts of hilarious complication which included elopement plans, a missing wife, and questionable poetry, the Professor finally selected his own fiancée to his own and to the audience's satisfaction.

Directed by Mrs. Alice Crocker and assisted by other members of the class with stage setting and properties the following cast presented a highly pleasing performance:

LETTERMEN'S CLUB

This club consists of the athletes who have earned a major letter in one of the six sports. It decides upon matters pertaining to the athletes. The boys have planned several outings and one of the big events each year is the initiation which all boys look forward to. The main outing of this year was the lettermen's hayride which was a big success. The day was spent at Marquette Park where the entire group had a good time.

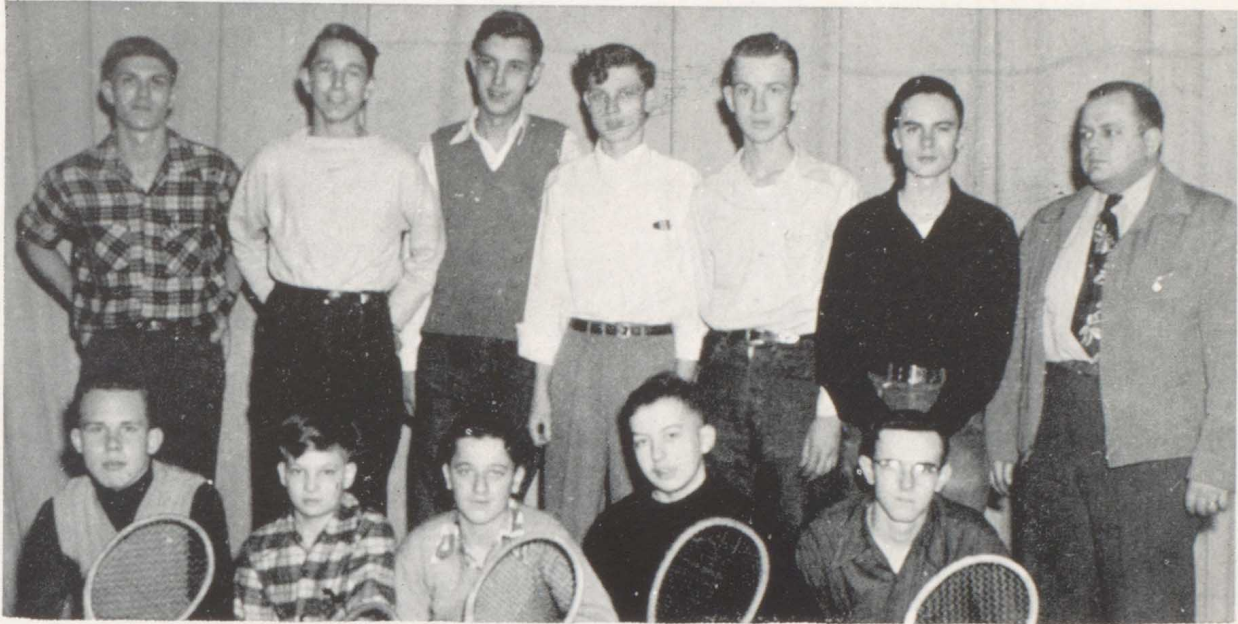

This club meets twice a month and holds a short business meeting after which the boys do as they please. This year's officers are: Sonny Trebing, President; George Metcalf, Secretary-Treasurer; and Tom Slowey, Sergeant-at-arms.

The main project of this year's club is to purchase a memory plaque which will show the lettermen and the teams of the past years and also years to come. We hope to have this in the near future.

The boys help with most of the athletic contests and helped succeed in making the Fresh-Soph and the Regional tournaments a big success.

The purpose of this club is to foster and promote good sportsmanship. The sponsors are Mr. Lucco and Mr. Brewer.

TENNIS TEAMS

Top row: Robert Steinman, Ray King, Charles Moehle, Rodney Senn, Leroy Langendorf, Tim Berlemann, Mr. Miller.
Bottom row: Henry Frederickson, Donald Lexow, Jerry Senn, Ray Snodgrass, Charles Fellenstein.

With 1948 as its first official year in the Southwestern Illinois Conference, the E. H. S. Tennis squad turned in a fine performance against its more experienced rivals to finish third among the four Conference teams.

In the district meet at Belleville, the Tiger netmen finished third among the six teams entered, and sent its first doubles team to the semi-finals.

In Conference matches the Tigers won one match from both Collinsville and Granite City, while dropping one to each of these teams and two to Belleville.

In non-Conference tilts the Tigers lost to Western Military Academy and Principia of St. Louis, both of the A.B.C. League.

With three of the eight lettermen returning next year, the Tigers should really be able to go places on the asphalt in 49.

The roster of the tennis team is as follows: Rodney Senn, singles 1st; Dan Eilers, singles 2nd, Glen Pizzini, singles 3rd; Dick Merkle, singles Alternate; Henry Fredrickson and Bob Shaffer, First Doubles; Don Grey and Harry Schermeier, Second Doubles.

ACE HURLERS

LAWRENCE JAROS, LEROY WHEAT
PETE BIVENS

BASEBALL

Edwardsville was especially fortunate to have the three excellent pitchers shown on this page as the basic hurling staff of the 1948 baseball team. All three were hard-working boys possessing enough of all those requirements of a good pitcher to win a high ratio of strike-outs and wins for E. H. S.

Leroy Wheat's superior pitching during his high school days was responsible for his receiving a two-year contract with the World Champion, Cleveland Indians. We all hope this will be the beginning of a brilliant career for Leroy in professional baseball.

1948 BASEBALL TEAM

First row: Clyde Nealy Managar; Pete Bivens, Pitcher; Bob Coleman, First Base; Eugene Mayberry, Third Base; Herb Henke, Catcher; Lawrence Jaros, Pitcher; Leroy Wheat, Pitcher; Fredric Mohri, First Base; Jim Hoffman, Outfield; Jack Enloe, Outfield; Coach Lucco.

Second row: Ray Weiler, Shortstop; Bob Barnhart, Pitcher; Buddy Baumgartner, Pitcher; Don Helfer, Second Base; Bob Wheat, Pitcher; Carl Steinman, First Base; Ray Wheat, Catcher; Charles Jones, Shortstop.

1948 BASEBALL

The 1948 Baseball Squad was very successful this year. It won 17 games and lost only 3. The games lost were two to Alton, and one to Roxana. In the conference games, they won six and lost one.

We were co-champs with Belleville in the South Western Conference, although we had beaten them in an earlier game.

In the district tournament we defeated Western Military Academy, but later lost to Alton. Losing to Alton knocked us out of the state competition. Granite City beat Peoria, and won the state Championship. Since we had previously won our games with Peoria and Granite City, we proved our team to be Championship material.

All our pitchers had a thousand percentage average for wins, except Lawrence Jaros who had a 400 percentage.

Second row: Leslie Lance, Richard Ridgeway, Clyde Spitze, Louis Perini, Coach Brewer.

Top row: Joseph Foehrkalb, Bill Riley, Eddie Gillham, Milton Klaus, Carl Mick, Ross Rosenthal.

WRESTLING

The Tiger wrestlers had a rough season as wins and losses are concerned but all the boys on the squad will return for the next year and several for more. The boys to win regular positions were Karl Fish 125 pounds, Vincent Beck 135, Dan Eilers 145, Cliff Hoppe 155, Sonny Trebing 165, Everett Butcher 165, Les Lance 175, and Richard Ridgeway, heavyweight. Trebing was ineligible to compete first semester but became eligible in second semester, being undefeated until the sectional final when he was defeated. Sonny went to the state and lost his first match 5-3 to Rizma of Kelly High, Chicago. Besides Trebing, Hoppe, Lance and Ridgeway earned letters. The squad was large and well conditioned and all but Trebing will return for next year's squad.

1948 TRACK TEAM

Bottom row: Linden Drda, Bob Green, Paul Schleuter, John Kessel, George Naumann, Joe Krupski, Don Schaffer, Willard Hoppe, and Harry Lewis.

Top row: Coach Brewer, Mike Newell, Vincent Beck, Albert Bayer, Bob Greenwood, and Frank Dillman, Manager.

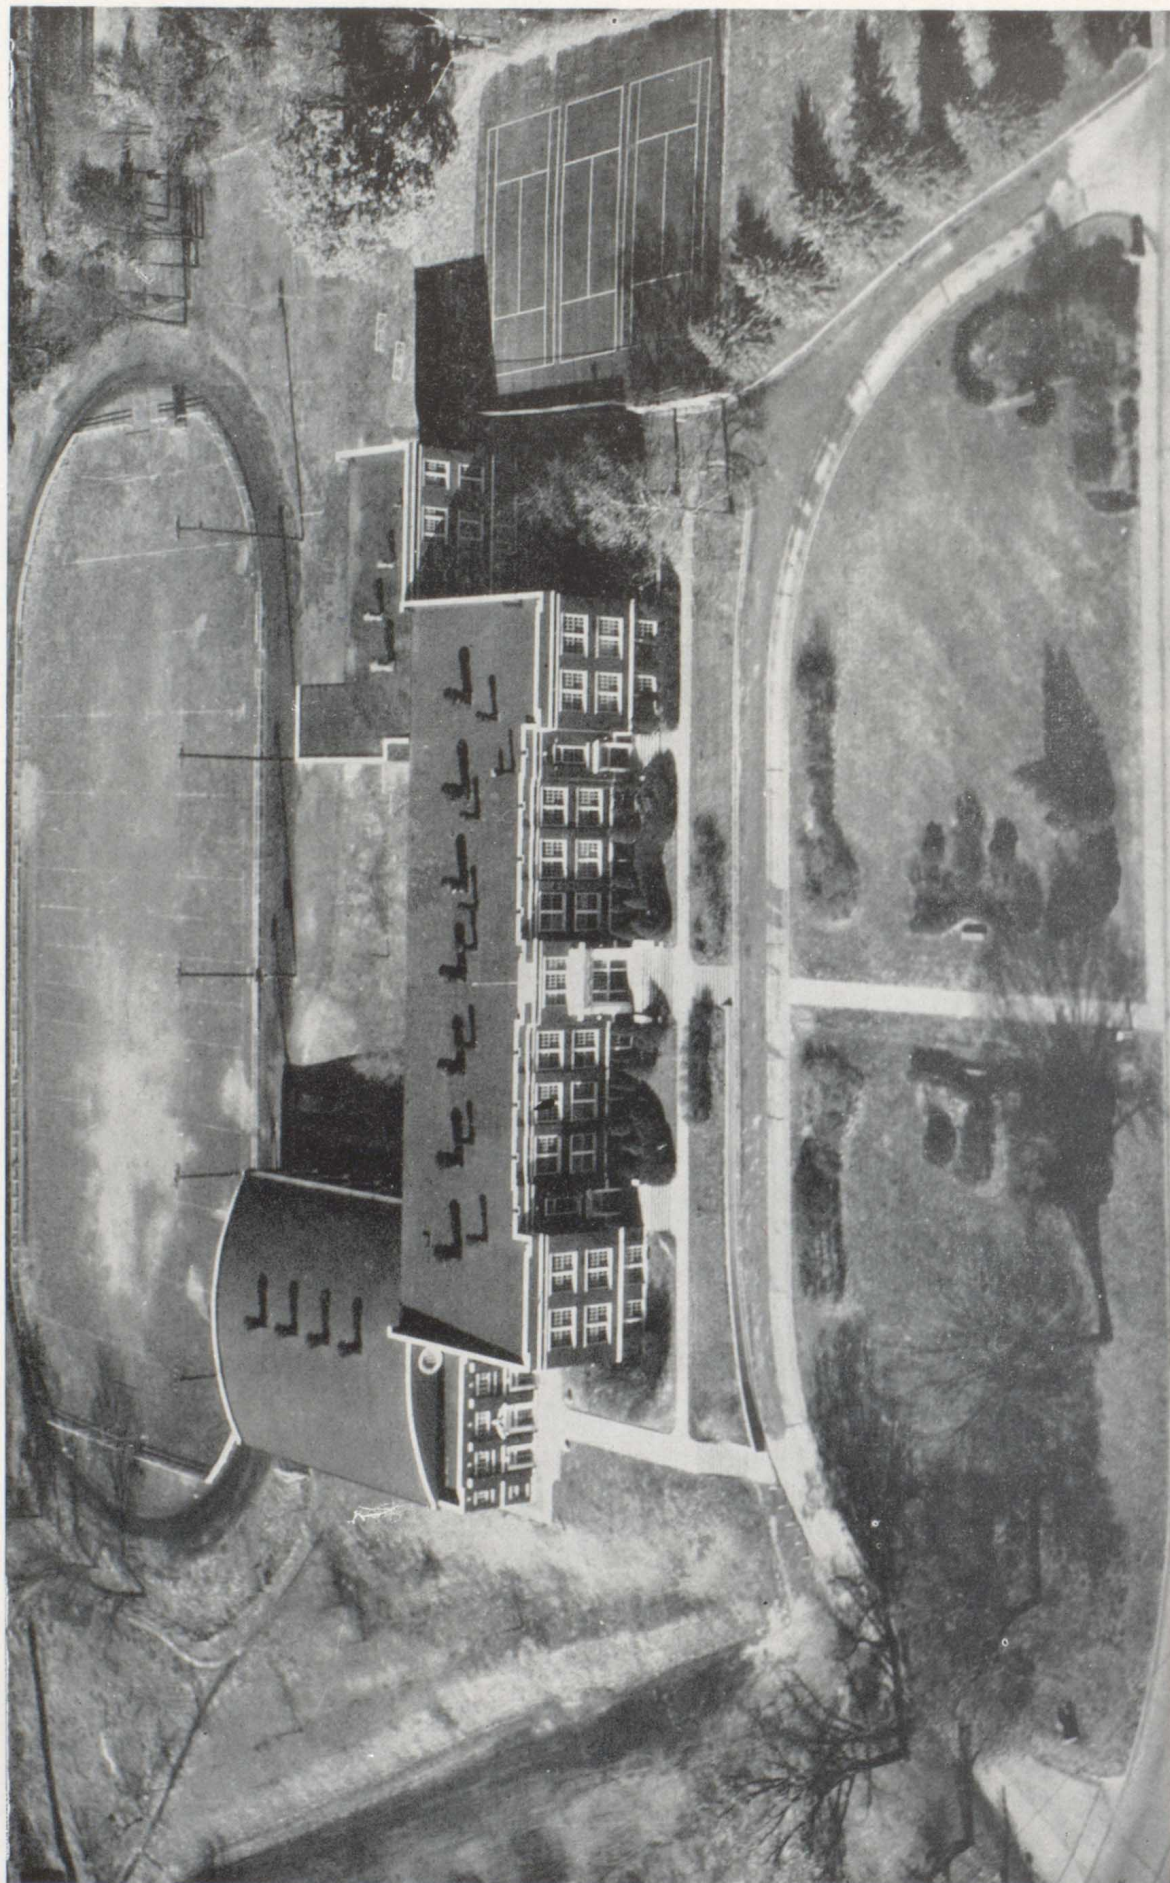

The 1948 edition of the Tiger track team was short on man-power but long on outstanding performers. Probably the most outstanding sprinter since long past was Joe Krupski, who was timed in 10.1 for the 100 and 23.1 for 220. Joe won both these events in Southwestern conference meet. The Tigers tied for third in Conference meet with East St. Louis with 19 points. Other lettermen were Don Schaffer who was a better than average hurdler, Lin Drda who ran the mile in good time and placed in every meet, Bob Green who did well in our dual meets in High Jump and Broad Jump, John Kessel tied for first in High Jump at County Meet, Willard Hoppe ran on the relay team and dashes, Harry Lewis ran $\frac{1}{4}$ mile well to earn his award. Fritz Mohri who isn't on above picture earned his letter by placing in the junior dash events.

The Tigers lost dual meets with Alton, Wood River, Granite City. They ran last in Quad meet with above schools and won a night meet against Roxana, Troy, Carlyle, Lebanon, and Venice.

Only two letter men are back for next year's team. Those two are Lewis and Green.

Newell, Beck, Greenwood, Clifford Hoppe, and Bayer ran as juniors and should supply next year's talent.

OUR FACULTY

We believe that we are justified in feeling proud of our high school faculty. Of the thirty-one teachers on the staff twenty-one of them have their master's degrees. This degree represents at least one year of graduate study beyond the bachelor's degree. Some of this group have even studied beyond the master's degree. Of the ten faculty members who have not yet received their master's degrees, eight of them are doing graduate work.

To stimulate further educational growth of the faculty the Board of Education has established policies as follows: "Teachers with bachelor's degrees shall be required to complete five semester hours every four years. Those with master's degrees shall complete five semester hours every five years. However, the following substitutions may be made with the approval of the Superintendent and the Committee on Education, for teachers who have completed the work of the master's degree:

1. Educational travel approved by the Superintendent and the Committee on Education.
 2. Courses of instruction other than in a recognized college or university if approved.

BASKETBALL SEASON

Continued from Page 28

Our team made 17 out of 58 shots, Metcalf being the high point man, coming back in the second half with a total of 13 points. The second team won another game, 50 to 39, with Fiegenbaum high with 12 points.

TIGERS 56; MADISON 31

The Tigers started off on an easy victory. After the half, the score wasn't even close. The Bengals ended up with a .338 percentage. The whole team showed fine marksmanship. The Trojans were a slightly undersized team. The second team added another game to their already wonderful record of wins, with Greenwood being high point man.

TIGERS 27; EAST ST. LOUIS 22

The Tigers started off with a good lead the first half, and it looked like an easy victory. The Flyers froze the ball the second half, and gradually kept coming up. What seemed odd was that they were 13 points behind then they started the "cold war". The "B" team lost its game 47-37.

TIGERS 40; COLLINSVILLE 58

The Tigers lost to the Kahoks making them tied for third with Wood River and Granite in the conference. The locals hung up a .400 average, but the opposition walked all over them with Thompson being their high point man with 17 points. The Collinsville boys also won the second game 42-39.

TIGERS 41; WOOD RIVER 48

The Oilers started out slowly, but the half ended with them winning 18-17. They picked up the second half, gaining a six point lead, which they held for the rest of the game. Losing this game tied us with Granite City for third who also lost their game to Collinsville. Our "B" squad was also defeated by the invaders, 49-31.

TIGERS 44; BELLEVILLE 47

There was a four way tie for third after this game, as Alton walloped Wood River and East St. Louis beat Granite. Belleville shot off for a 15 to 1 lead in the early minutes of the game, and at the end of the first period it was 17 to 5. In the next quarter, Newell made 10 of our 14 points while we held them to 10 points. The Maroons marched on until the

fourth quarter when the score was 46-33, then things started popping with only a few minutes left to play, the Tigers picked up 10 points while holding the groggy Maroons to one. Our team threatened to tie up the score with ten seconds left to play when a free throw was missed and a basket by Enloe. The Tigers used the familiar fast break tight zone defense. Newell was high point man for our team with 19 points. The reserves won their game 43-32.

TIGERS 54; GRANITE CITY 34

Six of the Granite City players were suspended for playing basketball on a church league. The first quarter was fairly even with the Tigers taking the lead, but the Warriors came back later. Martinez in the second period scored three straight lay-up shots. The Tigers came back with three also and tightened up the defense. At the half we led 27-24. We broke loose the third quarter and after that the game wasn't even close. Heinemeier and Enloe lead the team with 12 apiece. Brumitt led the second team to a 73-38 victory with 10 points.

TIGERS 45; ROXANA 42

The EHS Tigers basketball team captured its ninth victory in 16 games. It was a see-saw game all the way, with the Shells leading in the first period. The Tigers came back in the second, working cut in the front, and finally winning. Our free throws looked better. The reserves came out on top with a 46-37 victory.

TIGERS 34; ALTON 51

The Tigers started off to a lead in the early part of the game, but lost this lead in the third quarter. The local squad had the poor night of shooting, sinking only 12 shots in 65 from the floor. At the foul stripe the Bengals scored 10 out of 16 for a good .625 percentage. Metcalf played his best game of the season. The reserve squad also lost its game.

TIGERS 55; STAUNTON 34

The local squad had a .565 percentage in this game. Chuck Alexander was the only man to foul

SENIOR CLASS HISTORY

"We came; we saw; we conquered."

Julius Caesar was the first to say that famous line but every E. H. S. senior also has the right to speak that quotation. For it is true that the senior class of '49 came, saw, and conquered.

From the moment we entered E. H. S. as lowly freshmen we began conquering. As freshmen we took part in many of the school's activities. By the time we were sophomores it became apparent to everyone that the class of '49 was destined to be one of the best ever.

Our junior year brought with it the Junior-Senior Prom that proved to be one of the biggest and best E. H. S. has ever seen. Our Junior Play was a phenomenal success and many of us lower upper classmen could be found in the leads of the operetta that year. Our healthy, active boys were turned into good athletes and participated in many sports during their four-year stay at E. H. S.

Our senior year was most successful. With us '49ers at the head, the homecoming parade, Senior play, operetta, sports, and many other activities, turned out for the very best. For the first time since 1944 the class of '49 is having a Senior Breakfast. It takes this Senior Class to think of something like that.

Then all too soon we begin to realize that our happy, care-free, contented days at E. H. S. are numbered. But we leave, knowing that we came, we saw, we conquered.

TO OUR ADVERTISERS

We take this means to express our sincere appreciation for your cooperation in taking advertising in our annual publication. We are cognizant of the fact that yearbook advertising is of dubious value to those business firms who wish to advertise something of a seasonal nature. However your name or the name of your firm in the advertising section of the 1949 Tiger is more than mere advertising but, in addition, it is an expression of your good will toward us.

Because of increased production costs yearbook production would be prohibitive if the financial backing were confined to subscription sales. Without your ad the Tiger would be lowered below the high standard of yearbooks which have told the story of the Edwardsville High School throughout the years. With your cooperation we have attempted to carry on the yearbook tradition of E.H.S. and to present a pictorial history of the 1948-1949 school year which will serve as a valuable storehouse of memories for students and teachers.

THE TIGER AD STAFF

Richard Hoffman, Manager.

BASKETBALL SEASON

Continued from Page 67

out in the game. George Metcalf was the high point man for the Tigers with 12 points. The Tiger "B" team won 51-30.

TIGERS 43; EAST ST. LOUIS 37

The game was a thriller all the way, with the Tigers leading the game at the first, and the Flyers coming up in the end of the first quarter. The half ended with the local boys leading by two points. In the final quarter the locals scored eleven to six. With a one point margin Enloe was fouled when attempting a shot, and he made good. Heinemeier was the only man to foul out of the game. Our team used a new out-of-bounds play faking the entire East Side team out of position and scored. The Bengal reserves lost 43-34.

TIGERS 33; COLLINSVILLE 43

The Kahoks broke away to an early lead, leaving us trailing by nine points at the end of the initial period. At the second quarter we came back with 15 points, holding the opponents to only five points and leading at the half by one point. The Kahoks took off the second half, near the end of the game. Jack Butler led the second team to victory with 14 points. The final score was 46-44.

TIGERS 49; WOOD RIVER 46

The local quintet led the Oilers with a slight margin all through the game, the opponents coming within one point twice during the game. We made 15 out of 20 free throws, probably the best record of our season. We again used the out-of-bounds play which left the Oilers guarding the wrong goal, and walked in for two points. The opposing team began to foul out when we held the ball with a three point lead near the end of the game. They fouled for possession of the ball and we kept taking it out. Metcalf was high point man with 22 points. The reserves lost their game 55-53.

TIGERS 38; DUPO 35

The locals wound up the season with thirteen victories and nine defeats. At the beginning of the game the Bengals trailed and were losing by three points at the end of the first quarter. Our team narrowed the margin to two points at the half, and at the end of the third period it was 33 all. We finished the game holding the Dupo team to two points, while we took five. We lost according to field goals, but our free throws brought us through. Warning was high point man with 9 points. The reserve squad won their game 40-35.

REGIONAL TOURNAMENT

During the first half of our game with Madison, we had only a three-point lead. In the second half we began to click with 37 points to their 16, and won the game easily. Ray Heinemeier was the high point man with 11 points. Collinsville won their game over the Alton Redbirds, 59-32. Norman Schaulat carried the Kahoks to an easy victory with 28 points.

The Tigers were defeated by Collinsville in the semi-finals of the tournament, by the final score of 52 to 38. The first quarter the score was fairly even, with the Kahoks leading by three points. At the half the Collinsville boys had a 11 point lead, and going into the fourth period they lead us by 18 points. In the last quarter we got 10 points to their 16. Metcalf played one of his finest games of the season, leading our team with 14 points. Schaulat was high point man for Collinsville with 25 points. We had a .226 average on field goals and a .777 on free throws.

TIGER TIMES

The Twenty-seven members of the Creative Writing Class were kept busy all year putting out the Tiger Times, the student voice of E. H. S.

This bi-weekly publication contains news of current events, sports, editorials, features, and humor. It arouses interest in dances, plays, and athletic contests by giving valuable information about them. It also gives data on available scholarships.

The feature pages contain interviews with students, humorous happenings, fashion news, columns, and miscellaneous feature articles.

The sports pages contain play by play descriptions of games, interviews with lettermen, sports gossip, previews of games, and conference standings.

This class affords an opportunity for seniors to learn how to recognize their journalistic ability and put it to use.

With Miss Hatscher, the sponsor, in the lead and the co-operation of the faculty, the Tiger Times staff has kept up the tradition of a good newsy school publication.

Following is the staff of the 1948-1949 Tiger Times:

Elizabeth Shaw	Editor
Rodney Senn	Associate Editor
Mary Hentz	Associate Editor
Pauline Meyer	Art Editor
Lucille Knecht	Copy Editor
Jean Flavin	Feature Editor
Tom Slowey	Boys' Sports Editor
Evelyn Dillman	Girls' Sports Editor
Violet Schoenbaum	Exchange Editor
Lola Shaffer	Production Editor
Pat McLean	Circulation Manager
Ray Zoelzer	Business Manager
